

One event solution for all your awards

Eventsforce Awards is a dedicated solution for designing, building, and managing external award events, peer reviews, and internal employee recognition schemes all from one web-based system.

From entries, websites, and judging to optional payments, table bookings, and reporting — this integrated platform handles it all.

FEATURES

- **Custom websites and email templates** — No HTML or web design skills are needed to create branded, responsive, multilingual, and secure award-submission websites
- **Quick and simple submission** — Optimise the entry process for submitters with easy-to-follow, step-by-step form processes that allow award submitters to save their entries at any time and receive acknowledgements, updates, and reminders
- **Manage the judging process** — Help simplify the judges' job by giving them a controlled online platform that is secure, intuitive, and easy to use; manage your judges more effectively, communicate with clarity, and ensure the accurate recording of their assessments
- **Optional payments** — Offer customised pricing and discounts in multiple currencies and payment methods
- **Table bookings** — Save time by managing table seating arrangements; allow bookers complete flexibility on reservations or keep it strictly controlled
- **Reporting** — Base your critical business decisions on the data that matters by creating reports — including submissions by category, delegates per table, or payments made
